The Old Curiosity Shop (Everyman's Library Classics & Contemporary Classics)

Charles Dickens

The Old Curiosity Shop (Everyman's Library Classics & Contemporary Classics) Charles Dickens

Charles Dickens's story of selfless Little Nell and her ailing grandfather and their persecution by the magnificently malignant villain Quilp has seized the imaginations and wrung the hearts of generations of readers.

Dickens's talent was superabundant in every way: in his dramatic force and his massive productivity, in his almost surreal comic power, in his compassion and thirst for justice, and in the imaginative pressure he brought to bear on even the most incidental of his characters. The delightfully various figures in *The Old Curiosity Shop* range memorably from jaunty Dick Swiveller and his little half-starved Marchioness to the hard-hearted siblings Sampson and Sally Brass, jovial Mrs. Jarley, devoted Kit Nubbles, the hunchbacked Daniel Quilp, and, of course, tragic Little Nell herself. Dickens's depiction of the fate of his main characters is famously harrowing and unfailingly suspenseful, but not the least of its charms is that it is embellished with a supporting cast of figures as grotesque and colorful as anything in the Old Curiosity Shop itself.

This edition reprints the original Everyman's preface by G. K. Chesterton and features seventy-five illustrations by Cattermole and Phiz.

From reader reviews:

Doug Herring:

Playing with family in a park, coming to see the coastal world or hanging out with pals is thing that usually you may have done when you have spare time, subsequently why you don't try matter that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Old Curiosity Shop (Everyman's Library Classics & Contemporary Classics), you could enjoy both. It is excellent combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't get it, oh come on its named reading friends.

Jean Willis:

This The Old Curiosity Shop (Everyman's Library Classics & Contemporary Classics) is great e-book for you because the content and that is full of information for you who have always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having The Old Curiosity Shop (Everyman's Library Classics & Contemporary Classics) in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no reserve that offer you world within ten or fifteen small right but this book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. active do you still doubt which?

Dennis Ross:

Within this era which is the greater man or who has ability to do something more are more precious than other. Do you want to become certainly one of it? It is just simple strategy to have that. What you should do is just spending your time little but quite enough to possess a look at some books. One of several books in the top record in your reading list will be The Old Curiosity Shop (Everyman's Library Classics & Contemporary Classics). This book that is certainly qualified as The Hungry Inclines can get you closer in turning into precious person. By looking way up and review this e-book you can get many advantages.

Tiffany Reyes:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Old Curiosity Shop (Everyman's Library Classics & Contemporary

Classics) can make you really feel more interested to read.
