Any beautiful single woman can turn heads, but very few women can capture a man's heart and become the kind of woman he can't live without. You may be asking yourself this question: "How can I capture his heart and become the woman he can't live without?" then *Traits of An Irresistible Radiant Woman* is the book for you. Within the pages of this book you will discover:

- That the experiences you create with a man are more memorable and important to him than the way you wear your hair or the color of your dress
- How to wait confidently for your future husband without losing hope
- Flaunting your sex appeal doesn't attract the kind of man you want to marry
- Men want a woman whose beauty isn't going to go away with age, but rather one whose beauty shines through her confidence, humor, compassion, humility, grace and femininity
- Traits to look for in a husband, to avoid marrying prince charming
- How to become irreplaceable and Irresistible Ladies, in a society that puts so much emphasis on physical appearance and putting your sexuality on display for all to see, we need to remind ourselves that this is not God's plan for us. It is time we live the truth that:
- We are fearfully and wonderfully made by God
- God made us for the purpose of complimenting and bringing out the best in a man and he in us
- It doesn't take cleavage, short skirts and flawless makeup to make us attractive to a real man
- Sex is not the way to 'catch' a man or keep him
- God doesn't want you to settle for anything less than a lifetime deal sealed by 'I do'
- A man worthy of calling you his wife will love, honor, respect and acknowledge just how precious and valuable you are

Traits of an Irresistible Radiant Woman enables you to re-discover the true beauty within each and every one of us and teaches you how to let that shine for all to see. So...grab a cup of tea and get comfortable because once you start reading *Traits of an Irresistible Radiant Woman* you won't want to stop until you get to the very last page. God bless you,
Kay
