Understanding the Sociology of Health: An Introduction Anne-Marie Barry, Chris Yuill

Understanding the Sociology of Health, Third Edition is an accessible introduction to a subject which is often shrouded in jargon. Providing case studies and exercises to really get students thinking, this book shows how sociology provides the means to answer complex questions about health and illness, such as why health inequalities exist. The new edition includes new chapters on the history of health and healing; sexuality; sport, fitness and exercise; and death and dying.
