From Nothing to Zero: Letters from Refugees in Australia's Detention Centres Janet Austin, editor
From Nothing to Zero presents edited extracts from letters written by asylum seekers held in Australia's detention centers. These letters provide a rare glimpse into the world of refugees who have fled war and persecution in their own countries. Several of the contributing detainees have been held for more than three years, often with no end to their incarceration in sight.

This compelling book gives voice to people whose thoughts and experiences are only rarely heard.
