## Intellectual Property in the Global Trading System: EU-China Perspective Wei Shi

After exploring multifaceted issues of IPR enforcement, this book argues that the problems with it are not an actual outcome of Confucian philosophy and "to steal a book" is not an "elegant offence." This book demonstrates that counterfeiting and piracy are inevitable consequences of inadequate economic development. It goes on to state that they are a by-product of a unique set of socioeconomic crises that have their origin in a dysfunctional institutional regime.
