A personal journal encompassing a collection of gently probing questions, mind games, thought experiments and homework assignments - all on your favourite subject: yourself. Burn After Writing Teen is an interactive book for teenagers that invites you to face life's big questions. Who are you now? How did you get here? Where are you going? Some questions are fun, some are deep and some are just plain random. Approach them with courage and creativity. There are no wrong answers. You can take it deadly seriously, or just have fun with it, or both. It's up to you. This is the practice session for the big interview exclusive you will doubtless face when the world finally discovers how amazing you actually are. Don't answer these questions the way you would make a status update. Nobody will read it. This is the one private space left in your life. The only place you can speak your own truth freely without consequences. Then in 15 years time when you finally do nail your career and meet 'the one' you can refer back to your answers and witness how completely and utterly wrong you were about absolutely everything. This book will be a unique picture of you as you are right now, as you will never be again. Use this as your very own time capsule and
