Are you a prepper just starting out? Or maybe you have been prepping for what could happen for a while? Or even just someone interested in finding ways to survive in the dangerous world we live in? Either way, Preppers Survival: 25 Survival Skills That Will Save Your Life is the book for you.

Survival during these dangerous times can be something many people think about, but not sure how to gather the information needed. It is something that families need to be prepared for. What if you were stranded in an area without food or water, would you know how to get drinkable water or food that will be healthy? This book will help you prepare for the things that people don't like to think about.

Each section of the book covers tips and tricks to help you do survival skills such as build fires, find food, get drinkable water, and handle specific disasters. Would you know what to do in an earthquake or an animal attack? This book will allow you to do these things and stay alive.
