Bi Ranchers Bi Mates Bill Lee

A breakthrough in explicit fiction -- the bisexual barrier is breached! Bill Lee has produced a truly bisexual novel that is as honest as it is explicit. Why should explicit fiction be unisexual -- heterosexual or homosexual -- when the bisexual lifestyle may be natural for so many of us? Steve, a lusty horse-breeder and rancher, learns to let nature take its course in his relationships with his fellow cowboys and his women. He has a lot of friends, males and females, who are only too happy to help in demonstrating the joys and satisfactions of bisexuality on the ranch, on the rodeo circuit, and in the bedroom. You will want to join him and his friends in this new exciting novel.
