Falling in love can have flaming hot consequences...

Powerful dragon shifter Dante Giordano has been trying to find peace for the last seven centuries. He'd accepted what he is long ago and he had vowed never to fall in love - given the **fatal consequences**. It wasn't easy watching everyone he knew and loved die, but that was his fate as an **immortal dragon**. The best path had to be *the lonely one*...

Luca St. James didn't think much of his small town life. Running the antique store he inherited from his father and fulfilling his love of furniture making, he was content, even happy. So when hunky Dante moves to Gale Falls, Luca doesn't know what hit him. Suddenly his **life is turned upside down** when he finds himself falling for the **enigmatic, sexy and mysterious man**... a man who stands out in the sleepy small town.

But the **attraction is mutual** and Dante **can't deny his feelings** for Luca, especially not with his dragon equally as drawn to him. Denying his destiny is the last thing this alpha has on his mind right now, not with gorgeous Luca laying everything out in front of him.

Now Dante needs to make the decision, will he take the risk for a chance at love and happiness, or let Luca slip out of his grasp?

A 17,000 word novella starring a hot, mighty alpha dragon... his sweet human omega... and a miraculous male pregnancy that's brought to completion!

This Enhanced Edition updates and corrects the content previously included in the now-unavailable original release. Read it while it's fresh and oh so sizzling hot!
