Honor and Violence in the Old South Bertram Wyatt-Brown

Hailed as a classic by reviewers and historians, Bertram Wyatt-Brown's *Southern Honor* now appears in abridged form under the title *Honor and Violence in the Old South*. Winner of a Phi Alpha Theta Book Award and a finalist for the Pulitzer Prize in History, this is the first major reinterpretation of Southern life and custom since W.J. Cash's *The Mind of the South*. It explores the meaning and expression of the ancient code of honor as whites--both slaveholders and non-slaveholders--applied it to their lives.

Wyatt-Brown argues persuasively that Southern ethical habits and traditions are the basis of regional distinctiveness and helped to perpetuate and justify the South's most cherished peculiarity: the institution of slavery. Using both literature and anthropology in innovative ways, Wyatt-Brown shows how honor affected family loyalty and community defensiveness. He also explains why, though it preceded and outlasted the demise of slavery, honor thrived on race oppression and was manifested in such violent acts as rape, lynching, and slave discipline.

The work begins with a study of Hawthorne's famous story of a tar-and-feathering, "My Kinsman, Major Molineux," and ends with an authentic lynching, an absorbing and chilling example of a public shaming ritual. Between these studies of fictional and historical violence, Wyatt-Brown deals with such wide-ranging topics as childbearing, marital patterns, gentility, legal traditions, duelling, hospitality, slave discipline, lynch-law, and insurrectionary panic--all of which were matters that gave white Southerners a special sense of themselves.

From reader reviews:

Theresa Pepper:

Reading a publication tends to be new life style in this particular era globalization. With looking at you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or perhaps their experience. Not only the story that share in the publications. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this Honor and Violence in the Old South.

Cathleen Read:

Playing with family in a very park, coming to see the coastal world or hanging out with buddies is thing that usually you might have done when you have spare time, after that why you don't try thing that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Honor and Violence in the Old South, you could enjoy both. It is good combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't buy it, oh come on its called reading friends.

Yvonne Webb:

Many people spending their moment by playing outside using friends, fun activity with family or just watching TV all day every day. You can have new activity to spend your whole day by examining a book. Ugh, think reading a book can actually hard because you have to take the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Mobile phone. Like Honor and Violence in the Old South which is keeping the e-book version. So , why not try out this book? Let's view.

Kelli Smith:

Is it you who having spare time subsequently spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This Honor and Violence in the Old South can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this brand new era is common not a geek activity. So what these books have than the others?
