God's Revelation for Today

What did John's revelations mean to the seven churches who read his letter?

The Lamb and the Seven-Sealed Scroll is the second volume in Dr. Richard Booker's powerful three-volume series. Continuing to examine the Book of Revelation within its original historical, literary, and biblical context, Dr. Booker turns his clear, prophetic explanation to the seven-sealed scroll, which contains the word of the Lord given to Daniel and is sealed until the time of the end. This seven-sealed scroll is God's revelation of the events of the end times. Dr. Booker boldly challenges some traditional theology and provides biblical and modern-day support for his beliefs.

This verse-by-verse study teaches:

- How to read Revelation within the context of its biblical, Hebraic roots.
- The historical, spiritual, archeological, and geographic backgrounds of the seven churches.
- How to read the literary style of the apocalyptic writings of John's time.
- The influence of Greek mythology and Roman imperial cult worship are a background to understanding the Book of Revelation.
- The connection between the context of the Book of Revelation and our world today.
- There is hope for believers facing the challenging days ahead.

God will authorize who can loose the seals, open the scroll, and read His final prophetic word for humankind.
