Beyond 2012: Catastrophe or Ecstasy - A Complete Guide to End-of-time Predictions GEOFF STRAY

This book is a good source on 2012 information. The author, has done painstaking research and analysis to present a complete compendium of the eclectic nature of this 2012 date. He not only covers the Mayan Calendar with its termination point in 2012, but he also presents other cultural and religious prophecy related to 2012 and the scientific understanding of why this date could bring geological changes as well as physiological changes in our brain. These changes could herald a complete paradigm shift in our mode of operation within the world. For anyone interested in what the future may hold, this book is a must read!
