Abby loves her life, but most of all she loves helping others. Her dream is to travel in an RV bringing joy to others in hospice and children's hospitals. She's about to embark on her journey when an incident with a hot doctor leads her on a search within herself.

Her plans don't include a man who drives her to distraction when ever he is near. Now Abby can't decide if she wants to stay and make a life with him or set about on her planned adventure. Was the one thing she always searched for right in front of her?

Doctor Jon Hatfield, Medical Director of Urgent Care, likes his life in the Keys fine. But when Abby comes along and shakes it up, he realizes he wants more. More is a hot, saucy red-head he's starting to fall for. Now, he has to convince her to stay, instead of embarking on her crazy adventure.

This 3 part serial is filled with fun, adventure and mayhem, mixed with bittersweet heartbreak that take the two on a journey they may not be able to recover from. After a devastating tornado and fatality, can Abby and Jon get through the heartbreak, or will they go their separate ways?
