Shakespeare Beyond Doubt? -- Exposing an Industry in Denial

The Book the Shakespeare Birthplace Trust Doesn't Want You to Read: Shakespeare Beyond Doubt? Never has the case against the Stratford man been made so clear and compelling. Unsettled by the growing success of the Shakespeare Authorship Coalition and its online Declaration of Reasonable Doubt About the Identity of William Shakespeare, the Shakespeare Birthplace Trust in Stratford-upon-Avon has published a book insisting that the identity of the author William Shakespeare is "beyond doubt." In this withering reply a dozen scholars expose the bankruptcy of this claim and challenge the Birthplace Trust to stand and defend its position under cross-examination in a televised mock trial. "Authorities tell us there is no doubt that Shakespeare wrote Shakespeare. Should we trust them? This book comes at a critical time, with defenders of orthodoxy deceiving the public about how weak their case really is. It is time for a serious re-examination of the evidence. This book does just that." – Richard Waugaman, M.D., Clinical Professor of Psychiatry; Faculty Expert on Shakespeare for Media Contacts, Georgetown University, Washington, D. C.
