Taming His Tutor Natalie Anderson

A sexy category romance from Entangled publishing's Brazen imprint...

When the bedroom becomes the classroom...

Computer guru Abbi Hayes needs to kick her sex life into overdrive—and she's designing the perfect App to make it happen. Thanks to all of the self-help bedroom tips she's accumulating, she'll be able to go from boring and passive to own-him-now vixen with a couple of swipes of a touch screen. And when former NBA basketball star Joe Burns offers to help her test out her 'product,' how can she say no?

Joe can't quite believe this temptress-in-training is his formerly shy, geeky ex-math tutor. If Abbi wants to discover her inner vamp, he'll happily be her how-to guide. But it only takes few face-to-face lessons to realize that underneath the talk, there's a truly passionate woman begging to be claimed by someone strong. Someone like him.

Maybe it's time to teach his former teen fantasy a few tricks of his own...
