The Autobiography of S.S. McClure

Willa Cather, Robert Thacker

The Autobiography of S.S. McClure Willa Cather, Robert Thacker

S. S. McClure was one of America's greatest editors and publishers in the lively era of muckraking reform. He is remembered for *McClure's Magazine*, which early in the twentieth century published the works of famous authors and social reformers. He was also the mentor of young Willa Cather. After leaving her position at *McClure's* in 1912, Cather ghosted this graceful portrait of her former boss.

Cather's developing style is clear throughout *The Autobiography of S. S. McClure*. She goes far inside her subject to find his voice and catch the rhythms of his exciting life: his immigration from Ireland to America, his Horatio Alger-like rise from poverty and struggle to success. Cather shows the risks he took in forming the first newspaper syndicate in the United States, which gave him access to such literary masters as Conan Doyle, Rudyard Kipling, and Robert Louis Stevenson. His extensive contacts were advantageous later in establishing McClure's, the medium for muckrakers like Ida Tarbell and Lincoln Steffens. These famous figures, and many others, enter into *The Autobiography of S. S. McClure*, which was originally published in 1914, just as Cather was launching her own illustrious career as a novelist
