A bouquet of roses, a bottle of wine, a crystal butterfly...and a dead man in the alley behind Death by Chocolate. Gifts for Lindsay, left in the middle of the night.

Is her ex-husband Rick between girlfriends and pursuing her again? Did he leave the roses and wine? He has done the out-of-season Santa Claus thing before. But when the crystal butterfly appears, Rick is in the hospital after a brutal attack leaves him near death.

If not Rick, then who? Is it someone she sees every day? The tall man who refuses to look her in the eye? The short man who looks her in the eye too long? The skinny man with crossed eyes who might or might not be looking her in the eye?

As the body count rises, Lindsay begins to see danger everywhere. Lindsay, Fred and Trent must catch this psycho stalker before someone else dies. Not bad enough he kills people. He also murders the English language in the horrible poems he leaves for her.

Butterflies are free and so are we.

Come fly away with me for all eternity.

I'll shelter you from harm,

and always keep you safe and warm.

Anyone who troubles thee

will feel the wrath of me.
