This book is about liberal utopianism, which is bringing on the destruction of the United States, through the efforts of the Democrat Party with their never-ending attempt to increase or create new federal government social programs. In this process of trying to create utopia they have created liberal secularism, which is bringing on the destruction of our nation's Christian values. There is a comparison between the historical records of the Roman Empire and the Chinese Dynasties to the current events that are happening in the United States, which shows that we are on the path of destruction. It's only a matter of time.
