One Pair of Hands

Monica Dickens

One Pair of Hands Monica Dickens

Unimpressed by the world of debutante balls, Monica Dickens shocked her family by getting a job. With no experience whatsoever, she gained employment as a cook-general. Monica's cooking and cleaning skills left much to be desired, and her first few positions were short lived, but soon she started to hold her own.

Monica discovered the pleasure of daily banter with the milkman and grocer's boy, and the joy of doing an honest day's work, all the while keeping a wry eye on the childish pique of her employers. *One Pair of Hands* is a fascinating and thoroughly entertaining memoir of life upstairs and downstairs in the early 1930s.
