The Earliest English Poems (Penguin Classics) Various

Anglo-Saxon poetry was produced between 700 and 1000 AD for an audience that delighted in technical accomplishment, and the durable works of Old English verse spring from the source of the English language.

Michael Alexander has translated the best of the Old English poetry into modern English and into a verse form that retains the qualities of Anglo-Saxon metre and alliteration. Included in this selection are the "heroic poems" such as *Widsith*, *Deor*, *Brunanburh* and *Maldon*, and passages from *Beowulf*; some of the famous 'riddles' from The Exeter Book; all the "elegies," including *The Ruin*, *The Wanderer*, *The Seafarer*, *The Wife's Complaint* and *The Husband's Message*, in which the *virtu* of Old English is found in its purest and most concentrated form; together with the great Christian poem *The Dream of the Rood*.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.
