The Economics of Transition: From Socialist Economy to Market Economy Marie Lavigne

Substantially revised and updated the second edition of this highly acclaimed text is both a vital guide and a valuable critical analysis. The book provides a contemporary comparative approach to the process of transformation of the economies of Eastern Europe and Russia. Supplying a large amount of factual and statistical information it also includes consideration of recent progress in the areas of macro-economic-stabilisation, micro-economic restructuring and integration into the world economy.
