The Rule of a Few: An Introduction to Authoritarian Forms of Government from Dictatorships to Oligarchies SB Jeffrey

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. This book is an introduction to authoritarian forms of government. Readers will be given a better understanding of the vast array of authoritarian governments like dictatorships, monarchies, kleptocracy, plutocracy, police states, oligarchies, and more. The book details each system with the way they work and where they can be found in use today.

Project Webster represents a new publishing paradigm, allowing disparate content sources to be curated into cohesive, relevant, and informative books. To date, this content has been curated from Wikipedia articles and images under Creative Commons licensing, although as Project Webster continues to increase in scope and dimension, more licensed and public domain content is being added. We believe books such as this represent a new and exciting lexicon in the sharing of human knowledge.
