The "What If" Guy Brooke Moss

After losing her job at a swanky Seattle art gallery and finding out her father has been hospitalized, single mother Autumn Cole reluctantly returns to her tiny hometown of Fairfield, Washington to put the pieces of her life back together.

Her disgruntled twelve-year old son isn't thrilled about going from hip to hick, but Autumn's got it worse. She resumes her role as the daughter of the town drunk, promptly facing a crisis with her father that's been decades in the making.

Running into Henry Tobler, and nearly breaking his nose, is almost more than she can handle, but can rediscovering love—and herself—with her “what if” guy teach Autumn to forgive before it's too late?
